Boundary states that the primary purpose of this filing is to revise Boundary's tariff to reflect recent changes to the Boundary Phase 2 Gas Sales Agreement (Sales Agreement), which is incorporated into Boundary's tariff. Specifically, this filing is designed to reflect recent changes among Boundary's stockholders, who are also Boundary's only customers, and the elimination of the requirement that Boundary's customers submit their gas payments to an escrow agent. Boundary also states that the tariff filing reflects certain administrative changes.

Pursuant to 18 CFR 154.207, Boundary requests a waiver of the notice requirements for tariff filings in order to make these tariff sheets effective on the dates proposed in the tariff filing.

Boundary states that copies of this filing were served upon each of Boundary's customers and the state commissions in Connecticut, Massachusetts, New Hampshire, New Jersey, New York and Rhode Island.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulation. Great Lakes further states that natural gas would be transported to the proposed meter station pursuant to an existing firm transportation agreement between itself and NSP-WI.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file a motion to intervene or notice of intervention, pursuant to Rule 214 of the Commission's Procedural Rules, 18 CFR 385.214, and pursuant to Section 157.205 of the Commission's Regulations, 18 CFR 157.205, a protest to the Request.
